

Liverpool Attendance Charter

Name of organisation: _____

- As agencies, we accept that attendance is everyone's business.
- We agree to work together to support and improve educational attendance of our children across the city of Liverpool, wherever the children live.
- We accept our responsibility to act as attendance role models for the children and young people in our care.
- We champion outstanding and improved attendance.
- Within our own agencies and organisations we address attendance concerns and issues.
- We seek to support parents and carers to prioritise school attendance.
- We recognise that patterns form early and we encourage attendance of our youngest children.
- We encourage effective transition across all phases of education and into the world of work underlining the importance of attendance at each step.
