Liverpool Law Clinic

Parents and carers of children with disabilities or illnesses can have difficulty accessing legal advice and often have a particular range of legal needs. We can offer a one – off appointment with our in-house solicitor, supported by our students, followed by a letter of advice on a range of issues impacting on your child's quality of life.

Appointments available from Monday 1st October

We will be holding clinics in an office off the main Hospital. Contact the clinic in advance to make an appointment. Alternatively appointments will be given on a first come, first served basis.
