- **3.** Type in the access code **PURPLEBIN** into the access code box and click on continue. *Please note that the password is not case sensitive.*
- 4. This will take you to a new page asking for your information. Please fill in your details, including your Liverpool postcode, and click on "Continue" in order to create an account. The page will refresh and a green button with the text "Click here for FREE access" will appear at the top right-hand side of the page. Please click on this button to access your new account.

Please note that all personal information will be anonymised. You are asked to make an account so that you can return to the site at your leisure, sign in and your account will remember that you have access to the course(s) and will resume from where you last left the course. By creating an account you will have **lifetime access** to the courses so you can complete them as your child grows.

5. You will now be on your account Dashboard. Click on "View Course" beside the course you wish to start first. *Please note that you do not need to go through the courses in order, you can start with whichever course is most appropriate to you and your family. You can also start multiple courses at the same time, the website will remember your progress on each of them.*
